This Information Disclosure Statement is not a representation that the documents cited herein are considered most pertinent, or that a search has been undertaken, or that any of the cited documents is indeed prior art. Copies of the cited references are enclosed for the Examiner's convenience. The Examiner is invited to undertake an independent search.

This Information Disclosure Statement was previously submitted to the U.S. Patent Office on February 3, 1999. However, the heading included the incorrect Serial No. 08/611,805 instead of the correct Serial No. 08/611,804. Accordingly, it is

Accordingly, Applicants believe that no additional fees are necessary for consideration of this Disclosure. However, the Commissioner is hereby authorized to charge any additional fee required or credit any overpayment in such fees to Deposit Account No. 50-0297.

Applicants respectfully request that the Examiner consider and make of record the documents cited herein. Applicants further request that a copy of the Form PTO-1449, appropriately initialed by the Examiner, be returned to Applicants' attorney.

Respectfully submitted,
